Cardiology Nurse Practitioner Hudson Joins SLHS

POTSDAM, NY – Ava Hudson, NP, has joined St. Lawrence Health System’s Cardiology team at Canton-Potsdam Hospital. As a Nurse Practitioner for Adult Cardiology, her office is located in the Leroy Outpatient Center, 50 Leroy Street, Potsdam.

Ms. Hudson earned her Adult Gerontology Nurse Practitioner Certificate from Florida Southern College, Lakeland, FL. She is also certified in Advanced Cardiac Life Support, Adult Critical Care, and Advanced Stroke Life Support.

“The wonderful artistry of seasonal changes, small town living, and the opportunity to do something I love...working in the cardiovascular field as a nurse practitioner, has brought me to the North Country,” Ms. Hudson said.

As a Cardiology Nurse Practitioner, Ms. Hudson examines cardiovascular patients, orders tests, makes assessments, educates patients on their therapeutic options, and monitors the condition and heart health of patients who have pacemakers or other implantable cardioverter-defibrillators (ICDs).
